Taking the Plunge:

# GOING INTO PRIVATE PRACTICE

25 SEPTEMBER 2021, SATURDAY  
2 PM TO 5 PM | WEBINAR VIA ZOOM

Are you ready to take the plunge  
into private practice?

Join us for the afternoon to find out what you need to know about going into private practice — the experience, the framework and the pitfalls, especially in this digital era.

| TIME    | PROGRAMME                                                                      |
|---------|--------------------------------------------------------------------------------|
| 2 PM    | Welcome Address                                                                |
