## COMPLIMENTARY AUGUST 2018 TRAINING SESSIONS FOR YOU AND YOUR CLINIC STAFF

Is your clinic assistant the main person in charge of procurement for your clinic? No problem! SMA, in collaboration with our partner Bizmann (S) Pte Ltd, is offering complimentary one-on-one training sessions for you and your staff to set up and manage their own clinic assistant's account to allow for a more convenient and holistic e-procurement experience on our portal.

The training sessions can be conducted at your preferred locations and time slots in August 2018.

### A/Prof Yeoh Khay Guan

*Dean, Yong Loo Lin School of Medicine,  
National University of Singapore*

*Deputy Chief Executive,  
National University Health System*

This year's SMA Lecturer A/Prof Yeoh is concurrently the Dean of the NUS Yong Loo Lin School of Medicine and Deputy Chief Executive of the National University Health System. He practises as a senior consultant at the Department of Gastroenterology and Hepatology in National University Hospital. He was appointed Dean of Medicine in 2011 and has instituted major changes in the selection of medical students and the curriculum in the medical school. His research interest is in enhancing the early detection of gastric and colorectal cancers. He is the Lead Principal Investigator of the Singapore Gastric Cancer Consortium, a national flagship research group, which aims to improve the outcomes for gastric cancer in Singapore. He also chairs the National Colorectal Cancer Screening Committee of the Health Promotion Board, Ministry of Health, which recommends guidelines for the national colorectal screening programme in Singapore.
