

SMA Training Workshop: Core Concepts in Medical Professionalism

The workshop will touch on the important concepts of professionalism, allowing participants to gain a deeper understanding of and acquire skills on this subject. Topics to be covered include Collegiality, Conflict of Interest, Confidentiality and Privacy, Doctor-Patient Relationship, Professionalism, Professional Accountability and Governance, and Ethical Case Analysis.

The target audience are clinical directors; heads of departments; programme directors and core faculty of residency programmes; faculty who teach and evaluate residents and medical students in the area of professionalism and clinical ethics; leaders of professional organisations; and members of ethics and complaints committees.

Dear colleagues and friends of SMA,

RE: SPECIAL FREE SANYA TOUR PACKAGE INVITATION

I am Dr Chong Tat Chong, your convener for the 2017 SMA Annual Golf Tournament. This year, we are most happy to present to you a very enticing and exciting event!

As event co-convener back in 2008, our team achieved a participation rate of more than 120 golfers and this broke the previous years' record. This year, I have the honour of being your convener again. I hope to achieve another record-breaking turnout and to do this, I will need your strong support and participation.

Our team has worked very hard to secure generous and exciting sponsorships to present an irresistible 2017 SMA golf event for you and your friends. Call your doctor, non-doctor, male and female friends, form a flight and join us at the Seletar Country Club.

Hurry! Register NOW at <https://www.sma.org.sg/golf> to seal your FREE 4D3N or 5D4N tour package to Sanya and a chance to win other exciting prizes. I look forward to seeing all of you on 5 July!

Thank you.

Yours sincerely,

Dr Chong Tat Chong
SMA Golf Convener

Employment and Employability Institute*

This service is provided free of charge for SMA Members and their clinics.

The first two SMA Clinic Assistant Introductory Skills Course sessions concluded in November 2016 and January 2017, respectively. Course graduates were trained in basic skills required of a clinic assistant, such as managing infection control, performing ECGs, and collecting and despatching biological specimens. Visit <https://www.sma.org.sg/trainandplace> and log in to your membership portal to indicate your clinic's vacancies if you're interested to interview and hire SMA-trained clinic assistants during their course duration.

Fourth SMA Clinic Assistant Introductory Skills Course	19 to 22 July 2017
Fifth SMA Clinic Assistant Introductory Skills Course	1 to 4 November 2017

If you're unsure about your membership login details or have any queries about the programme, please email Mellissa Ang (mellissa@sma.org.sg) or Denise Jia (denisejia@sma.org.sg), or call them at 6223 1264.
