[www.primarycarepages.sg](http://www.primarycarepages.sg)

Dedicated portal for  
General Practitioners

By Agency for Integrated Care

An initiative by the Agency for Integrated Care (AIC), Primary Care Pages aims to support you, General Practitioners (GPs), in caring for your patients by being a one-stop resource hub. It is also an invaluable resource for updates on GP-centric schemes, initiatives and events.

## 1. Primary Care Initiatives

Refer here to learn about national core schemes such as Screen For Life and how you can join a Primary Care Network (PCN)

## 2. Community Care

Find out more about initiatives that can support you in caring for your patients e.g. Advance Care Planning and community care services

## 3. Circulars from MOH

A compilation of primary care-related circulars from Ministry of Health (MOH) makes it easier for you to keep tabs on news that affect your clinical practice

## 4. CMEs and Events

Optimise time for training with access to a calendar of GP-centric events and convenience of online registration

## 5. Publications

Find AIC's regular articles in SMA News, as well as College Mirror and quarterly PCP e-newsletters here
