Al and Us

In this issue looking at the implementation of artificial intelligence (AI) within healthcare, the team found it timely to invite two doctors to imagine and illustrate a scene where Al becomes the norm in a doctor's everyday life. We hope the following illustrations will bring you some laughter even as we contemplate the pros and cons of Al. •

SAVE IT FOR YOURSELF .. GOOD LUCK WITH PROF JUST ORDERED ALL THOSE "THE HUMAN TOUCH QDS" DISCHARGE FOR ALL OUR PATIENTS SUMMARIES, RORO... llustration: Dr Selene Tan, SGH Anaesthesiology

SENDING AI TO HELP US?

Ilustration: Dr Kevin Loy
