

**SMA CHARITY FUND
(UEN: 201305017E)**

**AUDITED FINANCIAL STATEMENTS
AND OTHER FINANCIAL INFORMATION
FOR THE YEAR ENDED 31 DECEMBER 2019**

SMA CHARITY FUND
(UEN: 201305017E)

DIRECTORS' STATEMENT

The directors present their statement to the members together with the audited financial statements of SMA Charity Fund (the "company") for the year ended 31 December 2019.

1. OPINION OF THE DIRECTORS

In the opinion of the directors,

- i) the accompanying financial statements together with the notes thereto are drawn up so as to give a true and fair view of the financial position of the company as at 31 December 2019, and the financial performance, changes in general and specific funds and cash flows of the company for the year ended on that date; and
- ii) at the date of this statement there are reasonable grounds to believe that the company will be able to pay its debts as and when they fall due.

2. DIRECTORS

The directors in office at the date of this statement are:-

KOH WEI PENG (XU WEIPING)
LIM FUNG WAN, COLIN
LIM KHENG CHOON (LIN JINGCUN)
NOORUL FATHA AS'ART
TAN SZE WEE
THALI KOATTIATH UDAIRAM
WONG CHIANG YIN
ROLAND XU WEIXIANG (APPOINTED ON 27 MAY 2019)
CHONG YEH WOEI (APPOINTED ON 27 MAY 2019)
KOH LIN-NET (APPOINTED ON 27 MAY 2019)

3. ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE SHARES OR DEBENTURES

The company is a company limited by guarantee and has no share capital.

4. DIRECTORS' INTEREST IN SHARES OR DEBENTURES

The company is a company limited by guarantee.

There were no shares or debentures issued.

SMA CHARITY FUND
(UEN: 201305017E)

DIRECTORS' STATEMENT

5. OPTIONS GRANTED, EXERCISED AND OUTSTANDING

There are no options granted, exercised and outstanding to take up unissued shares as the company is limited by guarantee.

6. AUDITOR

The auditor, Kreston David Yeung PAC, has expressed its willingness to accept re-appointment.

On behalf of the Board,

TAN SZE WEE
Director

WONG CHIANG YIN
Director

Singapore, 27 March 2020

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SMA CHARITY FUND (UEN: 201305017E)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of SMA Charity Fund (the “company”), which comprise the statement of financial position of the company as at 31 December 2019, the statement of financial activities, statement of changes in general and specific funds and statement of cash flows of the company for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements are properly drawn up in accordance with the provisions of the Companies Act, Chapter 50 (the Companies Act), the Charities Act, Chapter 37 and other relevant regulations (the Charities Act and Regulations) and Financial Reporting Standards in Singapore (FRSs) so as to give a true and fair view of the financial position of the company as at 31 December 2019 and of the financial performance, changes in general and specific funds and cash flows of the company for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing (SSAs). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Accounting and Corporate Regulatory Authority (ACRA) Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the Directors’ Statement [set out on pages 1 to 2].

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SMA CHARITY FUND (UEN: 201305017E) (Continued)

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Companies Act, the Charities Act and Regulations and FRSs, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:-

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SMA CHARITY FUND (UEN: 201305017E) (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required to be kept by the company have been properly kept in accordance with the provisions of the Companies Act, and the Charities Act and Regulations.

During the course of our audit, nothing has come to our attention that causes us to believe that during the year:-

- a) the company has not used the donation monies in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- b) the company has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

SMA CHARITY FUND
(UEN: 201305017E)

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2019

These notes form an integral part of and should be read in conjunction with accompanying financial statements.

1. GENERAL

The company is registered as a private company limited by guarantee and domiciled in the Republic of Singapore.

The company has been registered under the Charities Act, Cap. 37 with effect from 17 April 2013. The IPC status has been renewed for a further period of two years until 26 December 2020.

The principal activities of the company consist of financial assistance bursaries, health and public health-related education, and promotion of volunteerism.

The registered office and principal place of business of the company is located at 2985 Jalan Bukit Merah #02-2C, SMF Building, Singapore 159457.

The financial statements of the company for the year ended 31 December 2019 are authorised for issue in accordance with a resolution of the directors on 27 March 2020.

2. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

The financial statements of the company have been prepared in accordance with the historical cost convention, except as disclosed in the accounting policies below, and in accordance with the Singapore Financial Reporting Standards (“FRS”).

In the current financial year, the company has adopted all the new and revised FRS and Interpretations of FRS (“INT FRS”) that are relevant to its operations and effective for annual periods beginning on or after 1 January 2019. The adoption of these new/revised FRSs, and INT FRSs has no material effect on the financial statements.

b) Significant Accounting Estimates and Judgements

Estimates, assumption concerning the future and judgements are made in the preparation of the financial statements. They affect the application of the company’s accounting policies, reported amounts of assets, liabilities, income and expense and disclosures made. They are assessed on an on-going basis and are based on experience and relevant factors, including expectations of future events that are believed to be reasonable under the circumstances. The management is of the opinion that there are no critical estimates and judgements involved that have a significant effect on the amount recognised in the financial statements.

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2019

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Plant and Equipment

Plant and equipment are stated at cost less accumulated depreciation and impairment losses.

The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful live and depreciation method are reviewed at end of each reporting period, and adjusted as appropriate. The effects of any revision are recognised in statement of financial activities when the changes arise.

Depreciation is calculated on the straight-line method to write off the costs of the plant and equipment over their estimated useful lives as follows:-

Office equipment	1 year
Computer	1 year

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in statement of financial activities in the year the asset is derecognised.

d) Cash and Cash Equivalents

Cash and cash equivalents comprised cash at bank which are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value.

e) Financial Instruments

i) Financial Assets

Initial recognition and measurement

Financial assets are recognised on the statement of financial position when, and only when, the company becomes a party to the contractual provisions of the financial instrument.

When financial assets are recognised initially, they are measured at fair value, plus, transaction costs that are directly attributable to the acquisition of the financial asset.

Subsequent measurement

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the contractual cash flow characteristics of the asset.

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2019

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

e) Financial Instruments (Continued)

i) Financial Assets (Continued)

Subsequent measurement (Continued)

Amortised cost

Financial assets that are held for the collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are measured at amortised cost using the effective interest method, less impairment. Gains or losses are recognised in profit or loss when the assets are derecognised or impaired, and through amortisation process

Derecognition

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received is recognised in profit or loss.

ii) Financial Liabilities

Initial recognition and measurement

Financial liabilities are recognised on the statement of financial position when, and only when, the company becomes a party to the contractual provisions of the financial instrument. The company determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value and directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

Derecognition

A financial liability is recognised when the obligation under the liability is discharged or cancelled or expires. On derecognition, the difference between the carrying amounts and the consideration paid is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2019

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

f) Impairment of Financial Assets

The company recognises an allowance for expected credit losses (ECL) for all debt instruments not held at fair value through profit or loss and financial guarantee contracts. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held of other credit enhancement that are integral to the contractual term.

Financial assets carried at amortised cost

ELCs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12 months (a 12-months ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is recognised for credit losses expected over the remaining life of the exposure, irrespective of timing of the default (a lifetime ECL).

g) Impairment of Non-Financial Assets

The company assesses at the end of each reporting period whether there is an indication that an asset may be impaired. If any indication exists, or when an annual impairment testing for an asset is required, the company makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs to sell, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded subsidiaries or other available fair value indicators.

Impairment losses are recognised in statement of financial activities in those expense categories consistent with the function of the impaired asset, except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case, the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2019

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

g) Impairment of Non-Financial Assets (Continued)

For assets excluding goodwill, an assessment is made at the end of each reporting period as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the company estimates the asset's or cash-generating unit's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in statement of financial activities unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

h) Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount of the obligation can be made. Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate.

i) Income Recognition

Revenue is measured based on the consideration to which the company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Revenue is recognised when the company satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Donation is recognised when money is received or pledged and collection is certain.

Grant income is recognised when there is reasonable assurance that the conditions attaching to it will be complied with and the grant will be received.

j) Employee Benefits

Defined Contribution Plans

As required by law, the company makes contributions to the state pension scheme, the Central Provident Fund (CPF). CPF contributions are recognised as compensation expense in the same period as the employment that gives rise to the contribution.

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2019

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

j) Employee Benefits (Continued)

Employee Leave Entitlement

Employee entitlements to annual leave are recognised when they accrue to employees. Accruals are made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the reporting period.

k) Currency Translation

Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates (“functional currency”). The financial statements of the company are presented in Singapore dollar which is the functional currency of the company.

Transactions and balances

Transactions in a currency other than Singapore dollar (“foreign currency”) are translated into Singapore dollar using the exchange rates prevailing at the dates of the transactions. At the end of each reporting period, recorded foreign currency monetary items are adjusted to reflect the rate at end of reporting period. All realised and unrealised differences are taken to statement of financial activities.

l) Contingent Liabilities and Assets

A contingent liability or asset is a possible obligation or asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of uncertain future events not wholly within the control of the company.

Contingent liabilities and assets are not recognised on the statement of financial position of the company.

m) Key Management Personnel

Key management personnel of the company are those having authority and responsibility for planning, directing and controlling the activities of the company. The Directors and Chief Administrator are considered as key management personnel.

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2019

11. RELATED PARTY TRANSACTIONS

In addition to the related parties information disclosed elsewhere to the financial statements, the following related party transactions took place at terms mutually agreed between the parties:-

	2019	2018
	S\$	S\$
With entities with common key management personnel:-		
Management fee expenses	46,481	32,228
Donation income	<u>57,000</u>	<u>20,000</u>

The nature of management fees relates to services provided by Singapore Medical Association, including services provided by the Chief Administrator to the company and the Chief Administrator does not receive any remuneration from the company.

None of the directors received any emoluments in respect of their services as directors of the company during the financial year.

12. FINANCIAL RISK MANAGEMENT

Financial Risk Management Objectives and Policies

The company does not have written financial risk management policies and guidelines which set out its tolerance for risk and its general risk management philosophy but management may use natural hedges or closely monitor the company's business risk exposures in connection with its financial assets and financial liabilities and adopts the appropriate measures including the use of other financial instruments when considered necessary to reduce any potential financial risk exposures or losses.

Credit Risk

The company has no significant concentrations of credit risk. Cash is placed with established financial institutions. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position.

Liquidity Risk

The company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and mitigate the effects of fluctuations in cash flows.

The maturity profile of the company's financial liabilities is within 12 months from the end of the reporting period.

Interest Rate Risk

The company is not exposed to interest rate risk as all financial assets and liabilities bear no interest rate as at the year end.

NOTES TO THE FINANCIAL STATEMENTS – 31 DECEMBER 2019

12. FINANCIAL RISK MANAGEMENT (Continued)

Foreign Currency Risk

The company is not exposed to foreign currency risk as all its transactions are denominated in Singapore dollar.

13. FAIR VALUE

The carrying amounts of financial assets and financial liabilities are recorded in the financial statements at their approximate fair values, determined in accordance with the accounting policies disclosed in Note 2 to the financial statements.

14. FUNDS MANAGEMENT

The management manages the fund to ensure that the company will be able to continue as a going concern and fulfill its objectives and services to the community.

15. NEW OR REVISED ACCOUNTING STANDARDS AND INTERPRETATIONS

Certain new accounting standards, amendments and interpretations to existing standards have been published that are mandatory for accounting periods beginning on or after 1 January 2020. The directors expect that the adoption of these standards will have no material impact on the financial statements in the period of initial application.
