Striving for Excellence in Teaching

Khoo Teck Puat Advanced Surgery Training Centre (ASTC), a regional surgical training hub, is a comprehensive, world-class venue for seminars, workshops and hands-on training in surgical education. Conveniently located at the National University Hospital, its facilities includes a Seminar Hall, Meeting Room, Lecture Room, Simulation Lab, Micro-surgery Lab, as well as Surgery and Minimally Access Research and Training Laboratory (SMART Lab). The SMART Lab is equipped with 10 working stations, with each a replica of a real operating theatre, for surgeons to hone or acquire new surgical skills. ASTC also combines cutting edge technology with educational programmes, and offers numerous courses and workshops across multiple specialities ranging from Neurosurgery to Robotic Surgery. Additional services also include consulting and planning to marketing and managing your event. For more information, please contact ASTC.
