### Advocacy

We ensure that our interests are effectively represented to government, statutory bodies and other organisations by being an independent and credible voice.

### SMA Academy

We run more than 50 courses that are complimentary or heavily subsidised for members. These courses equip our members with relevant skill sets for the betterment of patient care and public health.

### Doctors in Training Committee

Doctors in training and students, this is a special focus group to look after your interests!

### Publications

In addition to our scientific journal *Singapore Medical Journal* and our monthly newsletter *SMA News*, we also publish other materials of interest and learning value to our members, such as the *Medical Guidelines on Fitness to Drive* and the *Private Practice Handbook*.

### Ethics Consultation

We provide advice to members regarding matters pertaining to your practice and professional ethics.

### Locum Online

We provide an avenue for locum seeking and hiring services for members, by members.

### SMA Cares

We believe in giving back to society, and encourage our members to do the same. Currently, we are in the process of setting up our very own SMA Charity to create a bigger impact on healthcare in Singapore. **SMA**
