

# A Big Thank You

The SMA Medical Students' Assistance Fund was set up in 2007 with an aim to help less privileged medical students with basic living expenses while they are in medical school. Since it was initiated, the fund has provided support to 85 medical students from the National University of Singapore (NUS) Yong Loo Lin School of Medicine (YLLSoM), to the tune of close to \$330,000.

***“There is really no more relevant cause to us than helping our poor youths who desire and deserve a meritocratic medical education.”***

*– Dr Wong Chiang Yin, 48th SMA President (2006-2009)*

***“SMA has raised the real concern of ensuring that the most capable young people continue to join the profession, regardless of their economic background. Entry to the profession of doctors must remain meritocratic. To accomplish that, medical education must be made affordable to all.”***

*– Prof Tan Chorh Chuan, then NUS Senior Deputy President, at the SMA Cheque Presentation Ceremony on 18 March 2008*
