

# A Night at the Movies

By Faustina Yong

**SMA HELD** an exclusive movie premiere of *The Hobbit: The Desolation of Smaug* at The Grand Cathay on the evening of 12 December 2013. We had planned this Members' Appreciation Night as our way of saying thank you to our members for their continuous support throughout the years.

The event was warmly received, with tickets sold below cost price snapped up within days. Two hours before the movie began, the cinema foyer was already bustling with excitement as participants patiently queued up to collect their tickets. Early birds also received vouchers to redeem complimentary packs of popcorn and drinks from the cinema's food and beverage counter. In all, close to 600 people, comprising SMA members and their guests, turned up for the premiere.

*The Desolation of Smaug* was a truly entertaining movie. The night was made even more special for the SMA members, both young and old, as they got to enjoy the show in the good company of their loved ones. SMA hopes to hold a screening of the final film of the Hobbit trilogy, *The Hobbit: There and Back Again* at the end of this year. Look out for it! **SMA**
