

Medico-Legal Seminar on Mental Capacity

- Assessment & Report Writing for Doctors

30 April 2016, Saturday

1.30 pm – 4.30 pm, Academia

Number of CME Points: 2

This seminar aims to provide the knowledge and application skills for the medical practitioner to be able to write confidently a good medical report on mental capacity assessment that meets the professional standard for medical and legal use. Doctors are expected to prepare and submit medical reports that meet requirements of the Court, patients and their families. In addition, the participants would be given an opportunity to engage leading expert lawyers, officials of the family courts and doctors on all aspects of mental capacity.
