

SMA MEMBERSHIP PRIVILEGES AT A GLANCE

The core of SMA's work is in the many issues that we have advocated for, in hopes of creating a better local healthcare landscape - *for doctors, for patients*

The amount of time and effort that the relevant SMA Committees and Members spend cannot be easily quantifiable, and the value and impact of our advocacy work may be overlooked at times. Nonetheless, we are ever thankful to all our members for your strong support and membership over the years so that the Association can continue to speak up on matters that are close to your hearts.

The more tangible SMA Membership privileges are listed below and on our website at <https://www.sma.org.sg/membership>. Log in to your Membership Portal to enjoy the uniquely SMA privileges as well as sign up for courses and events!
