

# DO YOU NEED HELP IN YOUR CLINIC?

More than **350** job seekers have access to vacancy details published on the SMA Clinic Assistant Place and Train Programme's online portal

**30%** of these job seekers were trained during the 2016/2017 intakes of the SMA Clinic Assistant Introductory Skills Course

You can interview and hire potential clinic assistants through our job fairs in May and June 2019 or when they contact you via the information you have listed in our online portal.

If you have hired an inexperienced clinic assistant after 27 September 2018, you could enjoy funding support\* of up to \$2,470 from the Employment and Employability Institute (e2i) for our 2019 Introductory Skills Training, which comprise a four-day course and three-week on-the-job training!
