

# RafflesMedical

We are looking for doctors who wish to pursue family medicine as a career to join our growing organisation. Local and overseas graduates from recognised universities may apply.

We provide fulfilling work environment where you can work, learn and deliver care to your patients with our team of nurses, healthcare managers, specialists and family physicians.

As an approved Learning Institution, we provide opportunities for you to learn, grow and develop your career as a family physician, physician leader or as a healthcare manager. Remuneration is attractive and competitive and being a key member of the Raffles team, you will participate in the employee share option scheme of Raffles Medical Group.

Exciting career opportunities are available in the following positions:

- 1) Family Physicians / General Practitioners
- 2) Health Screening Physicians
- 3) Medical Officers with A&E experience

Both full and conditionally registered doctors may apply, full time or part time.
