

Kerry Medical

We are a newly established medical GP clinic group looking for medical doctors, who wish to join a dynamic and fast expanding setup. We would like to invite pioneers who would like to helm our clinics as anchor doctors.

Responsibilities:

1. Provide primary healthcare services at our newly established clinics
2. Work with management to establish and maintain clinic practices

Requirements:

1. Possess basic medical qualifications recognised by Singapore Medical Council
2. Obtained valid practising licence awarded by Singapore Medical Council
3. Relevant post graduate qualifications welcomed; especially GDFM and/or GDOM

Benefits:

1. Competitive remuneration package
2. Good career prospects as clinician or progress to management
3. Training opportunities provided
