

Ang Mo Kio – Thye Hua Kwan Hospital is a leading Community Hospital providing rehabilitative and sub-acute care. Through a team-based approach, our dedicated healthcare team provides care, counselling and guidance to patients towards recovery and re-integration back into the community.

We offer a wide range of healthcare services, including rehabilitation, sub-acute care, renal care, chronic disease care (via the Community Health Centre), retail pharmacy, home-based care and caregiver training.

Our patients are important, so are our staff. It is the dedication and efforts of our staff which make a difference in delivering quality healthcare. We are committed to engage and develop our staff to their fullest potential and offer them a fulfilling as well as challenging career.
