

OneCare Medical is a Primary Healthcare Group that aims to provide holistic and accessible Acute and Chronic care in the community. We were founded in 2013 by a team of three Family Physicians, and have grown to a group of more than 20 clinics, mostly situated in the heartlands.

Our Patients mainly comprise of residents that live around the clinics, encompassing whole families - from babies to the elderly – and it is this breath of primary care that our doctors find rewarding.

Our Doctors are a close knit team from different backgrounds and experiences, so that we are able to help each other out when queries and difficulties arise.
