**Tsao Foundation**
Longevity is Opportunity

**Hua Mei Centre for Successful Ageing** is a one-stop provider of person-centred, integrated medical and psycho-social primary healthcare services to adults from age 40, which pioneers sustainable and effective community-based age care models to optimise health and wellbeing over the life course and enable ageing in place.

# MEDICAL DOCTOR

As a Medical Doctor, you will be part of the clinical team providing comprehensive geriatric assessment, diagnosis and appropriate quality treatment to our clients. You will facilitate their care at their homes as well as in the clinic.

**Requirements:**
- MBBS from NUS or an equivalent medical qualification with full medical registration recognised by the Singapore Medical Council
- Graduate Diploma in Geriatric Medicine, Family Medicine or Palliative (or with intent to pursue)
- At least 5 years post-graduate working experience
- Able to respond effectively in diverse and changing situations or demands
- Knowledge of community aged-care services and a strong passion for elder care would be advantageous
