

**Our client in Canterbury, New Zealand is looking for a General Practitioner to join their team. (for 6 to 12 months) or permanent.**

**Free flights, airport meet and greet and a month free car hire.  
Plus \$5000 towards accommodation and shipping.**

Our client has an established General Practice in Canterbury with a reputation for providing excellent patient care.

Their purpose-built facility, which was completed in 2020 allows them to provide a model of care that is based on the needs of the local population.

As a practice, they are continually endeavouring to improve their services to enable the whole team to work at the top of their scope while keeping workloads manageable.

Their GPs are very well supported by a conscientious nursing and administrative team.

The practice is based within a family centred, agricultural community which is increasingly multicultural with people from around the world settling there. They are a one-hour easy drive to Christchurch International Airport and a beautiful city with many cultural and sporting opportunities.

The district is perfect for those who enjoy having easy access to the outdoors with beautiful rivers, mountains, lakes and back country right on their doorstep.

**Accent will provide free assistance with:**

- Registration with the Medical Council of New Zealand
- Immigration
- Relocation and Resettlement support for you and your family
